## 1 - Events Permitted at the Club

Coconut Joe's is “the ticket” for memorable events in Bakersfield. Wedding Receptions, Anniversary Parties, Birthday Parties, Employee Recognitions, Customer Appreciation Events, School Fundraisers, Volunteer Dinners and Class Reunions, all work great at the club. Your guests will talk about it for years!

Sorry, we are unable to host events that are open to the general public, events that sell tickets at the door, radio “listener appreciation” events, concerts, or any event designed to make a profit (501C3 fundraisers are OK).

## 2 - Deposits

An advance deposit of \$1000.00 is required to guarantee the date. Cancellation less than (120) days from the scheduled event date, will result in the loss of the deposit. Credit cards are not accepted for deposits.

## 3 - Length of event

There is a six (6) hour time allotment for each scheduled event - not to exceed 11:30 PM. You will also have an additional hour that the club is open prior to your guests arrival.

## 4 - Security

Coconut Joe's reserves the right to require security services, based upon the event type, size, etc. Scheduling and payment will be the client's responsibility. Security guards must be in a security uniform, and must be listed in the Yellow Pages under Security. Ask if your event will require security.

## 5 - Payment

Event balance is due and payable BEFORE the start of your event (credit cards may not be used for payment). Sorry, we cannot let the event begin until this final payment is collected.

## 6 - Separately contracted service vendors

If hiring a DJ or bartending service for the evening, you may only use a service listed on the Coconut Joe's web-site. Live bands are generally not permitted at Coconut Joe's Private Beach Club. Call for exceptions.

## **7 - Bartending, Alcohol & Smoking**

If you would like the bar OPEN for your event, there is a \$300 additional charge - payable to the bartending service (we will collect this and pass it on). This additional cost is to have bartenders on-site, and a complete drink menu, etc. available for your guests. An additional fee is also charged by Coconut Joe's for HOSTED bars - please ask for details. We strongly encourage you to save yourself considerable money, and require your guests to purchase their own alcoholic beverages. No alcohol is allowed outside the building, or is allowed to be brought into the facility. Absolutely NO SMOKING, in the club, or within 100 feet of any entrance!

## **8 - Liability**

Coconut Joe's Private Beach Club is not responsible for Acts of God or other situations outside of its control, that result in the early closure of an event (i.e. power outages, weather, etc.). The hosting client is responsible for any and all actions on the part of any guests while at the beach club. In the event of excessive rowdiness, misconduct, lewd behavior, unsafe or illegal activities - as determined by the Coconut Joe's Staff representative - Coconut Joe's Private Beach Club reserves the right to immediately end the event. No refunds will be given under these conditions. Any guest behaving in a manner that places the event in jeopardy, will be referred to the hosting client to resolve before any event will be terminated. Client is responsible for any and all legal fees from any legal dispute that may arise as a result of any event held at the beach club.

## **9 - Decorating**

Confetti (including FOIL CONFETTI), rice, birdseed etc. are not allowed in the beach club. In addition, open flame candles are prohibited. No adhesives, tapes, staples, etc. may be used to secure signs, banners, or decorations.

## **10 - Use of sound system and microphone**

As a convenience to our guests, Coconut Joe's provides access to the house sound system, microphone and CD player. This service is provided at no charge, and is available on an as-is basis. If a working sound system is CRITICAL to your event's success, (i.e. an auction or performance, etc.), we encourage you to contract with an audio service to rent a portable sound system for the evening.

## **11 - Access to bartending facilities**

Coconut Joe's HIGHLY RECOMMENDS that you hire one of our approved bartenders if you plan to serve alcoholic beverages. Under some circumstances, Coconut Joe's may allow guests to serve their own drinks, please call for details. Kegs are not permitted. Only "designated bartenders" are allowed behind the bars.

## **12 - Stuff you bring - Services we provide**

Please remember that Coconut Joe's "Private Beach Club", is the Banquet Hall, not the Restaurant, and, as such, does not have a ready supply of plates, forks, glasses, cake knives, cake plates, etc. on hand for the serving of extra food or drinks that you may bring yourself.

THEREFORE: If you plan to serve any food or drink on your own, you will need to clearly think through what additional serving items you may need to bring.

IN ADDITION: Service is provided by the club for your meal, plate and table clearing, and general cleanup of spills, trash, etc. There will also be a Club Representative on site at all times to answer any questions you may have.

HOWEVER: If you plan to have punch bowls, cakes to cut, wine or champagne to uncork, etc., you will need to arrange for someone in your group to provide these additional services. Due to the wide disparity from one event to the next, Coconut Joe's does not have the ability to anticipate these additional needs. Coconut Joe's will be happy to "assist if available", but we are often clearing tables, removing trash, serving meals, mopping spills, etc., during these busy times.

## **13 - Un-invited guests**

Only guests invited as part of the current event will be allowed into the facility. Additionally, the person who is booking and paying for the evening - "the host" - must be present at the Beach Club during the event. When the host leaves, the event will be ended. Contracted services (bartenders, Disc Jockeys, etc.), must also vacate the building at this time, regardless of the number of hours they may have been contracted for by the host.

## **14 - Dress Code**

Aloha "Hawaiian" shirts are always in style at the club. Tank tops are not permitted for men. Additionally, footwear must be worn by everyone in the club.

## **15 - Lost, stolen, or damaged property**

Coconut Joe's is not responsible for any lost or stolen articles, or damage to vehicles.

## **16 - Last Call**

Last call for any alcohol will be 30 minutes before the end of the event (i.e. 11:00 PM for an event ending at 11:30 PM). Your cooperation is appreciated.

## **17 - Client Responsibility**

It is the responsibility of the booking client or host to ensure that guests are aware of these policies and adhere to them while at the club.

**Policies subject to change without notice.**
